

## Alternative Dispute Resolution

Our Alternative Dispute Resolution team is well suited to resolve cases prior to trial by analyzing the strengths and weaknesses of each case in an effort to reach an amicable resolution through facilitative mediation and arbitration.

We have a wealth of experience that spans a wide array of practice areas - as well as trial experience throughout the U.S. - making us an ideal partner for your dispute resolution needs.

If you have an insurance coverage dispute that is affecting the resolution of a negligence case, we can help you resolve the entire matter in one mediation.

We take pride in an efficient and expeditious approach to all cases at reasonable rates. ADR clients are ensured unmatched service with same day response times, and immediate availability to conduct hearings to meet all deadlines.
