

Novara Law Podcast Ep. 9: Property Tax and Cannabis Grow Operations

03.07.2023

Host Genna Hilgenbrink talks to Partner and Tax Division Leader Jackie Cook on cannabis grow operations' property tax classifications and appeals. While navigating this fairly new industry in Michigan, it is important business owners pay attention to how the state classifies their cannabis grow operations for property taxes. Notice of Tax Assessments are mailed this week and appeal deadlines are approaching fast. You could be eligible for tax exemptions or lower tax rates. Listen for more and contact Jackie Cook if you need help with your business tax review or tax appeal.
