

Detroit Free Press Names Firm a Detroit Top Workplace

11.13.2019

Novara Tesija & Catenacci, PLLC has been awarded a Top Workplace 2019 honor by the *Detroit Free Press*. This list is based solely on employee feedback gathered through a third-party survey administered by research partner Energage, LLC, a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

Upon news of receiving the award, NTC's managing member, Michael A. Novara, stated, "Being named a Top Workplace is a great achievement as only 151 companies made this year's list. And while we are proud to receive this award, we know that it is merely a snapshot of how people feel at a given moment in time and that we must all work together every day to keep NTC feeling like the tight knit firm it has grown to become. On behalf of the entire management team, I want to thank the whole firm for making NTC such a great place to work, and one that I think will only get better with each passing year!"
